**Pope Francis: Embrace of Hope -
Compassion in Times of Illness.**

The book is filled with the Pope's insight and inspiration for all who face the test of sickness and illness.

In this book, Pope Francis shows how hope is found in seeing and experiencing illness in the light of the Good News of

Jesus Christ. The Holy Father reveals how grace grows in times of illness when:

*Christians bring the peace of Christ to the sick through service and care.

*Difficult moments become the path to forge stronger relationships with family, communities, and with Christ.

*Men and women in science cultivate and apply God's gift of creation for the treatment and cure of diseases, setting free the oppressed.

*Christ sets one free, helps one endure, and allows suffering for the sake of a greater joy yet to come.

Hall Update

The Finance Committee approved a small update to the hall. This will begin in July and take about a month. We hope to have the floors redone and have new paint and lighting. This will allow us to rent out the hall to community events that fall within the guidelines set by the Diocese of San Diego. Once the hall is finished we will put out the guidelines for parishioners and others for renting the hall.
